

# Lexington Township wants to hear from you about Parks & Recreation!

We want to know your thoughts when it comes to recreation.

Lexington Township is developing a Parks and Recreation Plan! By doing so, the Township will be eligible for State funding for the next 5 years to support potential future projects. Adopting this Plan will help the Township focus on strategies for implementing these ideas over the next 5 to 10 years.

## WHAT TO EXPECT

We are hosting a guided discussion around parks and recreation needs. We will be exploring ideas for where, what, and how the Township might develop their own parks. To do this, we need your help! Come prepared to talk about these ideas with your neighbors, guided by the Township's Officials and Planners.
